Turnkey Family Retreat with High-End Features

Perfectly designed for family living, this striking architect-designed residence offers contemporary style and exceptional space in a prime location. With a prized north-to-rear aspect, the home's stunning interiors create a warm, resort-like atmosphere ideal for family life. Larger than a typical duplex in both size and feel, this move-in-ready home features custom artwork by Ashley Holmes, along with elegant curved lines, a cozy color palette, and high-end finishes. Situated just minutes from schools, shops, and citybound buses, this home provides families with both luxury and convenience in an unbeatable setting.
