Stellar curves, refined luxury

The peak of contemporary beauty, this luminous new four bedroom plus study, three bathroom residence embodies excellence. With sleek curved walls, designer details and high ceilings, it's a stunning home with room for everyone. Offering both a retreat and vast gourmet kitchen/dining/family, distinguished by a butler's pantry, stone surfaces and superb appliances, it's a haven where thoughtful consideration shows at every turn. Kitchen fixtures include an integrated fridge and Bosch suite incorporating two ovens, a coffee machine, integrated dishwasher and 80cm induction cooktop with integrated ventilation. Relaxing and brilliantly big, the family zone hosts a wide stone-topped entertainment unit and leads out to a paved barbecue area and landscaped rear garden. Universally large bedrooms include two with WIRs and fully tiled ensuites, with sophistication extending to a luxe family bathroom with deep bath and walk-in, frameless glass, rainfall shower. A fully fitted out study, powder room, polished laundry, herringbone parquet, heating/cooling, double glazing, security system, video intercom, electric gate, individual driveway and direct entry garage further allure. Mere moments to trams, cafes, shops, parks and schools, zoned to Strathmore College, it's also close to freeway and CityLink access, bringing the best of Melbourne within easy reach.
