With excellent views across parkland in the very aesthetic Springridge Estate, this contemporary family home is ideal for someone wanting a true family home. The large corner block gives you excellent access to the backyard with plenty of room for the storage of caravans etc and still leaving plenty of room for the kids to play or for your pets to run around. The house is spacious with four good sized bedrooms, the master having a double walk-in robe and an ensuite bathroom, the other three bedrooms are well serviced by the full family bathroom and the separate toilet. The main family hub has a good sized kitchen with a large serving and preparation bench, a corner pantry and a stainless steel cooktop and oven. The adjoining dining area is large enough for a formal dining table and the TV - living space has an excellent garden view. There is also another separate living area ideal for a separate activity or an excellent working from home area. The overall impression of the home is that it is light and bright, clean and modern. Wallan is one of the most sought after areas in the northern corridor due to its established infrastructure and excellent access to the CBD via the V/Line and the Hume Freeway.
