Designer Style on Toorak Village

Showcasing the characteristic architectural flair and attention to detail of a Neometro design, this sophisticated multi-level contemporary residence delivers a stylish, spacious and sun-drenched lock up and leave lifestyle on the edge of Toorak Village.

A cohesive palette of stone, timber and textured plaster along with bespoke joinery creates an immediate impact in the wide entrance hall while parquetry timber floors and high ceilings define the generous open plan living and dining room. Served by a gourmet kitchen appointed with stone benches and Miele appliances, the living area opens out to a beautiful, serene west-facing courtyard surrounded by cascading greenery. Perfect for relaxed living or entertaining, the expansive sitting room with gas pebble fire on the level above is bathed in light. The main bedroom with designer en suite, ample built in robes and a fitted study enjoy their own space while two additional robed bedrooms and a stylish bathroom are on a separate level.

Literally metres to a vast array of restaurants, cafes and shops, trams, schools and Brookville Gardens, it includes an alarm, security intercom, zoned RC/air-conditioning, double glazing, remote blinds, powder-room, Euro-laundry, irrigation, garden lighting, ample storage, internally accessed garage and additional car-space.
