Family Delight

This updated and spacious home is set along a family-friendly cul-de-sac in Capel Sound just moments from local schools, picturesque parks and the water's edge. The light-filled layout stretches over one level and boasts five bedrooms and three bathrooms along with a collection of generous living spaces where everyone can spread out and relax.

Daily life will centre around the sleek chef's kitchen with sweeping benchtops and views over the dining area. From here, you can move into the open family room or large living area with a bay window and split system air-conditioning.

Two bedrooms have walk-in robes and ensuites, including your master, while two bedrooms boast built-in robes and easy access to the three-way main bathroom.

An internal laundry, an expansive covered alfresco and a solar panel system are just a few of the extra features on offer. All this is set on a large 804sqm (approx.) lot with parking for two cars and a fenced yard for the kids.
