In a prized Keilor Village neighbourhood, this remarkable home by renowned builders Fasham Johnson is sure to make an indelible impression with its modernist-inspired architecture, passive solar design elements, solid brick walls, and a northerly aspect all with outstanding family flexibility. Flawless presentation from start to finish, the home's light-filled interior showcases four bedrooms (three with BIRs), as well as a private master ensuite and main central bathroom. Family credentials are further enhanced by the inclusion of a dedicated study, lounge/dining room with wood heater and spacious open living/meals area adjoined by a modern stone-bench kitchen with ample storage, quality cooking appliances and Bosch dishwasher. Other highlights of this remarkable home include split-system heating/cooling for year-round comfort, along with a full-size laundry and the energy efficiency of a 16-panel solar power system. Completing the picture is a large alfresco-style entertaining deck with elevated outlook and backyard with established perimeter gardens, plus a remote-control double garage with additional drive-through parking. A short stroll to Solomon Drive Playground, local buses, village shops and cafes, it's also close to Keilor Primary School, Brimbank Park and endless river trails, as well as easy access to Overnewton College and the Calder Freeway.
