Welcome to 24 Fergus St - a truly exceptional 4-bedroom residence that seamlessly combines modern comfort with stylish living. As you step inside, you are greeted by a thoughtfully designed space that caters to both practicality and luxury. The master suite, a spacious haven of relaxation, offers a private retreat for the head of the household. With four bedrooms in total, this home is well-suited for families seeking ample living space. The dual living zones provide flexibility and versatility, allowing for separate areas dedicated to family activities and entertaining guests. This feature ensures that everyone in the household can find their own space for relaxation. The kitchen stands out as the heart of the home, boasting an expansive layout and high-quality stainless steel appliances. The 40mm stone waterfall benchtops not only add a touch of elegance but also provide a functional and aesthetically pleasing workspace for any chef, as well as the convenience of a walk-in pantry offering ample storage for all culinary essentials. Step outside to discover an inviting outdoor alfresco area overlooking the expansive backyard - a perfect setting for entertaining guests or allowing children to play freely. For the convenience of the residents, the property features a double car garage with internal access, providing secure parking and easy entry to the home.
