BRILLIANT GLADES LIVING

Perfectly positioned with easy access to all the Glades Estate has to offer, this home is extraordinarily well designed and exceptionally practical.

There has been a strong focus on entertaining in this design, with open living areas and a large alfresco area which overlooks low maintenance yard space. With a super easy-care garden and artificial turf, this is ideal for the buyer who wants to enjoy a beautiful home without being a slave to the yard!

The kitchen is at the hub of the home, overlooking the family and dining rooms and is fitted with quality appliances, ample storage and stone benchtops.

In addition to the main living area, there is a theatre room PLUS an activity room, allowing lots of space for families to spread out and enjoy the space.

Located in a very convenient part of Byford, with easy access to Abernathy Road, the Glades Village and some of the best schools in the district - this is a brilliant place to call home.

Inspection is the only way to truly appreciate what this home has on offer, don't wait too long because these are the ones that get away.
