\$535,000

Beautifully set in a quiet street, this brick veneer residence offers four generous size bedrooms, providing built in robes in two. As well as two living zones including a large lounge. 24 Irwin Ave has gas heating and multiple split systems throughout. The modern refurbished kitchen is equipped with electric hot plates, under bench oven and large breakfast bar. The home boasts two toilets, main bathroom plus separate shower room externally. A beautifully designed North facing sunroom captures the winter sun and a double carport complementing this builder's own home. Priced at \$535,000.
