This super cute, centrally located two bedroom cottage is set on the high side of the street to catch the breezes, and has a lush green yard shaded by mature trees and palms. A sunny lounge is at the front of the home, with lovely views to the Glasshouse Mountains and the high rises of Caloundra, and leads to an eat-in kitchen with electric cooking. The two bedrooms both have built ins, there is a second living area or perfect study and there is the surprising bonus of two showers! (One has been installed in the spacious laundry). Outside you will find a small patio, and a gorgeous garden, green thumbs will be in seventh heaven as there are garden beds ready for herbs and veggies. Enquire now!
