Luxury Living at Timbertop

Experience the epitome of contemporary design with this stunning custom-built residence in the prestigious Timbertop Estate. This near-new luxury home blends style and functionality, offering sophisticated living in a serene and private setting.

Upon entering, you'll be greeted by neutral tones, clean lines, and a seamless floorplan that exudes modern elegance. The home features four spacious bedrooms, including a grand master suite with a fully fitted walk-in robe and a designer ensuite. The chic, all-white kitchen is a culinary dream, equipped with double ovens, stone benchtops, and a highlight window that frames the lush greenery outside.

Multiple living areas cater to every family need, from the informal family lounge with a gas log fire and built-in cabinetry to a versatile kids' retreat or games room. The attention to detail extends outdoors, where double-glazed stacker doors open to a fully tiled alfresco area, complete with Velux skylights—an ideal space for summer BBQs and family gatherings. Additional features include a stylish built-in bar, a study nook, a powder room, and reverse cycle air conditioning for year-round comfort. The oversized double remote garage offers extra convenience with a rear roller door, and the property is set on a low-maintenance 600m² (approx.) landscaped block.

Situated in the highly sought-after Timbertop Estate, surrounded by quality homes in a tranquil locale, this exquisite residence is ready for you to move in and enjoy the finer things in life.
