Resort Style Living Everyday

The chance to live a relaxing lifestyle just minutes from the CBD presents here at 24 Parkdale Avenue, Horsley. Made for families that love to entertain and spend their time outdoors, this is the place that friends and family will be nominating for all get togethers, on all occasions, forever!

This spacious family home has everything you need and more, with a sizeable single level design that suits all demographics and a separate one bedroom self contained studio apartment that is perfect for teenagers, elderly relatives who still seek independence or to lease out to tenants and assist with chipping away at the mortgage repayments.

The rear yard is an expansive paradise with a gorgeous resort style in ground pool, equipped with a slide and jumping platform and a fully fenced yard that kids and pets will adore. With no rear neighbours and a carefree feel, this is a rare opportunity to secure a quality family home on a useable large parcel of land just minutes away from schools, shops and public transport.

No excuses, this is a must inspect.
