Trust and transparency is one of Verona Homes' core values and core commitments to you. From our initial consultation with you, all the way through to the building and handover of your new home, we will be utterly transparent in terms of costs, timelines, and our processes. When you build your new home in southwest Sydney with Verona Homes, you will never be left in the dark. Instead, you will always be kept in the loop through our inclusive, collaborative approach to building new homes. The only surprises you will get will be of the pleasant variety, such as finding out in no uncertain terms that Verona Homes doesn't take short cuts, and instead meticulously plans and finesses every little detail of your new home to the point of perfection.
