A great start, investment or new home site.

Providing the perfect foundation for family life with classic dimensions and scope to renovate or renew, this light-filled home sits on a 542sqm approx. corner allotment and offers easy access to family-friendly amenities (STCA).

Soaked in sunshine, the streamlined lounge and dining/study area looks out into the backyard and benefits from sliding door access through to the casual meals zone and kitchen that reflects original style.

Flowing off the hallway, the three bedrooms accommodate the family and are easily serviced by a family bathroom, separate toilet and full-sized laundry, while the backyard is accompanied by space to store garden equipment.

Furthermore, the home boasts ducted heating, air conditioning unit, cloak closet plus a single carport and driveway parking.

Ideally located close to Regency Park Primary, St Luke's Primary, Wantirna College, reserves, buses, Wantirna Mall, Knox Private Hospital, Westfield Knox Shopping Centre and EastLink.
