This fairly new 3 bedroom home is so very deceptive from the outside. It's modern, sleek exterior continues through to the inside with a full sized kitchen with brand new stainless steel appliances including dishwasher and plenty of room for the best chef. The open plan air conditioned living area is tiled throughout for easy maintenance. All 3 bedrooms are double sized, the main has a massive ensuite and the second bedroom has a private balcony. There are great built in wardrobes and ceiling fans in all rooms. At the rear of your new home, you'll find a deck for entertaining or sitting back with your coffee overlooking neighboring trees. An added extra here is that this home was constructed with sound proofing to make this one of the quietest homes in the street. Come and see it today.***Please note you are not to enter the premises without an Elders Real Estate employee***
