This family home is located in the Reserve development of Tarneit. The home is ideally located close to schools, public transport and other amenities. The home comprises of 4 good sized bedrooms, master with an en suite and walk in robe. The other bedrooms all have built in robes. The property comes with a separate lounge area, a modern kitchen equipped with stainless steel appliances, which includes a dishwasher. The home also offers a living area with a split system air conditioner, a separate laundry, a double remote garage and landscaped gardens to the front and rear of the property. An inspection is a must and will surely impress! Please take note of advertised inspection times or send an enquiry to be notified when we book times in! Inspection times are subject to change, please check times on day.
