With commitments elsewhere, my vendor's instructions are clear that this property is to be sold. Therefore a superbly located 2 bedroom unit is now on offer. With the city of Warrnambool on your doorstep and within 300m of South West Healthcare, this one could be a brilliant short stay option or investment with a shortage of accommodation for healthcare workers. Comprising the 2 generous bedrooms, lounge and large kitchen area which looks over Koroit Street. There is a split system air conditioning unit for all year round comfort plus a single lock up garage and additional space for off street parking. So if you're looking to get into the central Warrnambool market you will not find many better options at this price point. Time to attend an inspection!
