Enjoyed by the one family for over 45 years, this clad weatherboard home in the Strathmore Secondary College zone offers an environment of immediate comfort and quiet convenience along with outstanding options to renovate or renew in the future (STCA). Step inside to discover a well-presented interior comprising three bedrooms (large main with built-in robes) all serviced by a neat central bathroom and separate WC. Add to this a front lounge, separate dining room with reverse-cycle split-system air conditioner and updated kitchen/meals area leading through to the rear sunroom. Completing the picture is a sizeable backyard highlighting the property's untapped potential, plus lock-up garage via the side driveway. Ohea's Bakery around the corner along with local buses, Coburg North Primary School, Harmony Park and Coburg North Village Shopping Centre, as well as easy access to Batman Station and Melville Road trams.
