*Pets considered on application.

NEW PET LEGISLATION TO COME : Current legislation requires tenants to get written permission in their tenancy agreement to have a pet in their rental property and stipulates they are also responsible for any damage to the property caused by their pets. The special terms can also stress that tenants have the property fumigated and the carpets cleaned when their tenancy is up. An Owner still has a right to decline a pet request even when this legislation comes into play however, they must provide a reason.

TO APPLY: We accept applications via 2Apply. You will be sent an email straight after your inspection with a property-specific link that will allow you to apply via 2Apply.* All lease lengths 6 months+ considered on application unless the listing states less**As all properties can be different, please contact your internet provider to find out more information regarding internet access at this property. Please note, owners are not required to ensure there is an active line available so tenants may have to seek alternative internet arrangements where a connection is unavailable.
