This semi detached two level home (circa 1898) features stylishly renovated interiors. The living and kitchen/dining areas on the ground floor enjoy a spacious open plan design and opens to a private courtyard oasis enjoying northerly sun. Upstairs the bedrooms and bathroom (with an optional study/dressing room) complete a desirable house for a trendy executive couple looking for character and style. Off street parking is a bonus in this area and there is plenty of storage in the ceiling loft. This well presented residence is enviably placed within strolling distance of local shops, cafes and just about all you need for everyday living. The city and Battery Point are also close and for recreation there is Marieville Esplanade beach and the yacht club all within 300 metres. Pets will be considered.
