High Above Town

Located high up above town, this three bedroom home has been leased for many years but is now vacant and ready for its next chapter. Built in 2000 the home is in great condition, and has an outstanding view of Wilson Inlet. The kitchen and dining area look over the sunken lounge area, while two of the three bedrooms have built-in robes. Parking for two vehicles via a carport and single garage is available, while the established gardens on the 592sqm property screen the home perfectly from the street. Please get in touch with Andrew on 0409081075 for further details.
