Nicole Hindmarsh is proud to welcome 26 Whimbrel Crescent Frasers Landing Mandurah to the market. Nestled close to walking trails, parks and the Serpentine River, here you will feel like you are in the middle of nature yet so close to town and our fabulous beaches! Built in 2016, this beautiful home has had the same tenant for the past 6 years and they would love to stay. Currently paying \$480 per week the tenants have been taking good care of this property and are looking to enter into a fixed term tenancy agreement with the new owners. With extra low strata fees of only \$220 per quarter, all the parklands are maintained for your enjoyment plus if there is anyone in the Estate who is not adhering to the peaceful living rules, then you have the strata who will step in and assist you. This area of Frasers Landing is predominately retirees, singles and small families. You are allowed one dog or one cat with a breed weight less than 10kg. With a myriad of walkways and paths to follow there are plenty of private spaces for you to soak up the natural bushland, spot the bandicoots, bobtail lizards, kangaroos and bird life. Walk to the Serpentine River, or the Peel Harvey Estuary, our beautiful waterways are all at your doorstep to enjoy and explore! Boasting three queen bedrooms, 2 bathrooms this home is deceptively spacious. Open-plan modern kitchen, dining and lounge plus 2 car garage with shoppers' entrance to the kitchen. Frasers Landing is continuing to expand on the Southern side of the estate with more land becoming available in this highly sort after Estate. Why build when all the hard work is done for you and this property is selling well below today's replacement cost! Ideally located only 5 minutes to the main shopping centre Mandurah Forum, public transport and the Peel Health Campus. See for yourself, why this area is a hidden gem and contact the area specialist Nicole Hindmarsh today for your private inspection 0415815156.
