Be swept away by the convenience and character of this rejuvenated 3-bedroom home, offering a modern showcase of space, light and year-round enjoyment simply perfect for first-time buyers, downsizers, and those craving absolute comforts. An endearing sight beyond established greenery matches its refurbished roof and blonde brick form with an interior of warm modernity, artfully retaining the traits that praise its vintage origins. An L-shaped living and dining space wraps around into a stylish stone-topped kitchen with a vintage-look range cooker and dishwasher before opening to a vast covered entertaining deck and yard, perfect for the family wanting indoor and outdoor functionality in equal measure. The three bedrooms are generous in size with service from a renovated central bathroom, supplemented by a separate toilet and a fitted laundry. Additionally finished with split-system air conditioning, ducted heating, privacy blinds, a secure single carport and a freestanding powered garage, it sits mere steps from Frankston-bound buses, a short walk from Karingal Heights Primary and Karingal Bowls Club, and a quick drive to Mornington Peninsula Freeway, Peninsula Kingswood golfing, Karingal Hub, McClelland College, and Frankston's CBD.
