$1,500 per week

This luxurious, architecturally designed low-maintenance four-bedroom home has the convenience of a master bedroom with ensuite on ground level and/or a master bedroom with ensuite upstairs, both providing enough space with the option for overnight guests or family to enjoy. Melbourne's elite schools are conveniently located nearby, including the zoned schools of Parkdale & Mentone Girls Secondary Colleges and the ability to lock-up-and-leave makes this home ideal for frequent travelers, or those who divide their time between work and home.Begin your day with an invigorating dip in the bay, before unwinding with a fine coffee at one of several nearby street cafes; browse the boutique shops, revive with a refreshing seaside stroll, or dine at any of Parkdale & Mentone's many exceptional eateries. The home offers inviting, light-filled spaces and contemporary convenience all tastefully appointed with premium fixtures and fittings. A large open plan kitchen boasts modern appliances, stone benches and island breakfast bar. The spacious living dining area opens onto a secluded private garden oasis featuring an expansive timber deck under a covered roof...the ideal place for all year-round alfresco entertaining. Add further bedrooms, a second living area, a third bathroom, a study nook and double garage, then you have the perfect family home.
