Discover a tranquil retreat on 1.35 acres of stunning landscape, offering an endless blend of comfort, charm, and natural beauty. The delightful character home is an oasis of relaxation and convenience, featuring two large bedrooms, a small kids bedroom, separate living and dining areas, a sunroom, and a dedicated office space. The home exudes character with beautiful casement and bay windows, high ceilings, and polished wooden floors throughout. These timeless features create an inviting and warm ambiance, perfect for harmonious living and entertaining. The spacious kitchen is designed for functionality and style, boasting a pantry, an island bench breakfast bar, and an adjoining laundry space/additional storage area for added convenience. The light and airy bathroom is thoughtfully designed with a separate bath and shower. The covered back deck wraps around two sides of the home, providing a perfect vantage point to enjoy the sprawling landscape. This outdoor space is ideal for alfresco dining, relaxation, and entertaining, offering breathtaking views of the property's natural beauty. The property is a gardener's paradise, with raised vegetable gardens, established gardens featuring mature fruit trees, and a picnic platform for family gatherings. A charming firepit area adds to the outdoor appeal, while a beautiful creek meanders through the outer reaches of the property, enhancing the serene atmosphere. A 6x12m shed with shelving provides ample storage and workspace, and a picturesque studio cabin with power and water offers versatility for use as an art studio, or creative space. There's also an attached potting shed for the home gardener, and a separate small timber hut for meditation or relaxing. Lush tropical gardens and access to the creek ensure tranquility, and fruit trees and vegetable gardens offer a touch of sustainability. A heated swim spa is secluded behind a screen of palms and bamboo, creating a perfect hideaway. Practical features include side access, underground irrigation, and security cameras for peace of mind. Sustainability is prioritized with two 25,000L rainwater tanks and a 6.6kw solar power system, ensuring efficient and eco-friendly living. This property is more than just a home; it's a sanctuary. Contact us today to arrange a viewing and experience the perfect blend of comfort, charm, and natural beauty in this serene oasis.
