Located in the much favoured, Lighthouse Beach locale and positioned on a level, 781 sqm block, this stunning home will WOW you on entry and impress even more as you walk on through. Afforded what can only be described as a magnificent transformation, no expense has been spared in renovating and recreating this incredible, five-bedroom home.

Light-filled, thanks to the to North to rear aspect, the expansive, open plan living and dining sets the scene for the relaxed, homey feel this residence provides. The indoor/outdoor area integrates perfectly with triple stacker doors that open onto the ultimate, entertaining area, creating the best, coastal lifestyle you could dream of.

The kitchen is perfectly positioned to make family living and relaxing easy and adds to the family feel with a large, stone topped island bench, the ideal spot for the kids to sit and tell you about their adventures through the day. There is also a large, WIP, an abundance of storage, decorative splashback, extra wide fridge cavity, electric cooking and a dishwasher.

The master suite is at the front of the home, separate from the remaining four bedrooms and features an ensuite with floor-to-ceiling tiles and built-in robes. Bedroom two will accommodate a queen bed and is located away from the separate children's wing, where the remaining bedrooms are found. This area is an absolute bonus for families as there is a large, tiled rumpus plus three more, double bedrooms and a study nook too. The three-way, main bathroom, with floor to ceiling tiles is finished in modern grey tones and is positioned perfectly to make this area a fantastic feature.

Just when you thought it couldn't get any better, step on outside and walk to the rear of the block where you will find the absolute ultimate, kids retreat/games room or you may like to utilise this 8 x 6 metre, free standing construction as a home gym or office. Finished to a superior standard with large tiles and panelled ceiling, this is a feature that is rarely found on a normal, residential block and adds to the overall appeal of this outstanding home.

Even though you will be living within minutes to the sands and surf of Lighthouse Beach, you may never want to leave home on the hot, summer days as the sparkling, inground pool here is superb! With glass panelling and travertine surrounds, it complements the wonderful, tiled, covered outdoor area perfectly.
