This charming brick house nestled on a generous 551sqm land offers a delightful blend of comfort & the perfect neighbourhood location. Boasting plentiful accommodation for growing families & a sizable land parcel, this residence located just minutes from Chandler Park Primary School & Parkmore Shopping Centre presents a perfect opportunity for ideal family living. Step inside to discover a home that offers two light-filled living spaces that exude a warm and welcoming ambiance. With three well-appointed robed bedrooms, there's ample space for everyone to unwind. Featuring elegant hardwood flooring, each room exudes a touch of timeless beauty, except for the bathroom, where sleek tiles offer both style and functionality. The central bathroom caters to your daily needs while the dining & kitchen area impresses with its spacious layout. Benefitting from its north-facing aspect, the expansive backyard & courtyard is the ideal spot for family gatherings and entertaining guests. Other features include central gas ducted heating, reverse cycle air conditioning, a new hot water service and a tandem lock-up garage. Strategically located, this home is surrounded by a plethora of amenities. Parkmore Shopping Centre, various parks & reserves, and multiple schools are all just a stone's throw away, ensuring all your needs are effortlessly met. Commuters will appreciate the easy access to Eastlink, streamlining journeys to the city and beyond. The true potential of this property, however, lies in the possibility of future development (STCA). With ample land size and a strategic location, the prospect of expanding or enhancing this residence to suit your unique vision becomes all the more enticing. 27 Glenthorne Drive offers a wonderful opportunity to secure a comfortable home with plentiful future possibilities.
