If you are looking for a solid, functional, spacious, character filled home with stunning timber flooring, 6.6kw of solar panels and very impressive wrap around verandas, this is a must see. The home has had many upgrades over the last few years including the kitchen, air conditioners, screens, hot water system and much more and yes- there is NBN 5G internet! The bedrooms and bathrooms are very spacious and nearly every room opens out to the expansive wrap around decking. Ideally positioned on a completely private 4719m<sup>2</sup> rainforest block at the Top Of The Range Estate. The block is also flat so there is plenty of room to add the supersized man cave.
