*** please note external photos coming soon Stop looking if you are looking for a home that is the epitome of entertaining and has room for the hobbies too. Open plan living that flows seamlessly to either side of the house. Dual driveways to park the everyday cars + the toys. Move in ready is an understatement when it comes to this place, you'll want to unpack today! *Renovated kitchen - that will give your friends kitchen envy *Dishwasher - making cleanups a breeze *LED downlights - uniformity throughout the home *Reverse cycle air-con - year round climate control *Wood look hybrid floors in the main living/traffic areas - modern look & easy to care for *New plush carpet in the bedrooms - cozy under foot *All bedrooms have built in robes - ample storage to all *Separate bath and shower - to suit your preference *Internal laundry - direct access door to outside *Dining table nook - offers an intimate setting for dinner parties *Block out blinds & tinted windows - great for shift workers *10m x 4.7m approx. insulated alfresco - with pull down blinds, enhances the space *Marvelous street appeal with dual driveways - room for the caravan, boat or trailer *Landscaped gardens - making this home a private oasis *Solar panels approx. 6.5KW - offsetting rising energy costs *Fire pit area - get the marshmallows ready *Garden shed - extra storage or for the garden gear *Drive through access via the carport *Chook pen Bethania is a fast growing in popularity as a suburb with lots of new residential and commercial development happening. Not to mention the new hottest bakery in town (stone bakery) that has locals flocking to it. It also has easy access to 2 train stations, buses and a vast array of schools and shops. Access to the M1 and Logan Motorway only a short distance away too for commuters. The sellers have made up their mind it's time for "treechange", do not delay making your interest known for this fabulous property, we do not expect it to last long. With Only One Thing Left To Do... That Is... Beat The Crowds!!!
