Offers Over \$320,000

This beautiful highset Queenslander sits on 1 acre, is concreted and lifted to legal height underneath ready to enclose. The 4,052m² block is fenced with a paddock for a horse, if that is what you want. This cute home has high T & G walls and ceilings with 2 bedrooms, a lounge and dining room, kitchen and bathroom with a front secure veranda. The home offers huge potential if you would like to expand for a growing family with internal stairs to downstairs bedrooms and living areas and add a deck on the back. There's a 3 bay carport, with 2 bays for the cars, an entertaining area and a new poly rainwater tank. Located approx 15 mins from Rockhampton and a short drive to the town of Gracemere. Stanwell is a small community with a primary school and a local shop, just a couple of minutes walk from the house. If you are wanting to move out of town and have your own space, grow your own veggies and fruit trees, then this property, which is elevated to catch all the breezes, could just be the home for you. Call Vicki Deller on 0408 074 874 to arrange an inspection.
