A cosy cottage style home in a prominent, central location. The modern kitchen overlooks a serving bar to the entertainers deck. From the dining room, french doors give direct access to the expansive deck and the bonus undercover entertainment area. The living room and both bedrooms are a great size with very large wardrobes. The bedrooms are separated by a bathroom with a child size bath inside the shower recess. The fully fenced backyard is private and has well established trees. There is plenty of off-street parking as well as the garage under the house. The position couldn't be better in one of Wavell Heights best streets and just a short walk to the school, Chermside Shopping Centre and transport. Make sure you check out this home today before it's too late! *** Please note that applications will only be processed once a physical inspection has been carried out by the applicant ***
