A most charming Victoria terrace with a classic two storey façade, this turn of the century brick home offers immediately comfortable living. Comprising 3 bedrooms or 2 bedroom plus home office/second living, the home offers universal appeal due to its internal style and the affordable price segment. Enhanced by generously proportioned living, a modern kitchen/meals area that opens onto a private low maintenance courtyard and alfresco decking to facilitate dining and outdoor entertaining. Upstairs, the lucky buyer find two massive bedrooms, master with attractive streetscape views, and a recently renovated fully tiled bathroom. Conveniently located in the heart of Port Melbourne, a short stroll to Port Melbourne foreshore, Bay Street shopping, and moments to the 109 light rail. A wonderful entry point into the Port Melbourne area for young families. Whether your plan to live in or improve and lease, the investment rewards are attractive so close to the city and bay.
