## Luxurious Brand New Multi generational Home

This impressive, Hamptons-inspired home offers a unique blend of luxury, space, and functionality, perfect for a large or extended family and sitting on an elevated 1-hectare parcel, the home features 7 spacious bedrooms, 3 bathrooms, 3 ensuites, gourmet kitchens and butlers pantries ensuring ample space and privacy.

The multiple living areas and the impressive 3-meter-high ceilings create an open and expansive environment.

The property comes with garaging for seven vehicles, along with a detached 3 bay machinery shed perfect for all the toys, whether it's for a boat, jet skis, or additional equipment.

The expansive rear alfresco/patio area offers spectacular views and is set up for outdoor entertainment, complete with provisions for a BBQ and/or outdoor oven.

Just some of the standout features include:

Two gas fireplaces and reverse cycle ducted air conditioning for year-round comfort

ILVE kitchen appliances, Franke Bell double sinks, and Caesarstone benchtops for a high-end cooking experience

Polyurethane shaker cabinet doors for a classic Hamptons touch

Raked ceilings in multiple living areas, featured skylights and modern downlights throughout

Roller blinds and sheer curtains for privacy and ambiance

· A home office/salon with its own entrance ideal for a home-based business

· Ground floor cellar/storage area

For security and convenience, the home is equipped with security alarm, and an electric main gate.

The separate entrance to the machinery shed is practical for tradespeople or motoring enthusiasts, offering flexibility for storage or hobby-related pursuits.

Located close to local schools, with a bus stop conveniently outside the front gate, and near the Wetherill Park industrial hub and soon to be completed Western Sydney airport, this property combines luxury living with accessibility.

With the added security of a structural warranty, this is a rare opportunity to own this exceptional Brand new home .
