INVITING OFFERS

Conveniently positioned in the much sought-after suburb of Moorooka, 28 Blackburn St is sure to appeal to both owner occupiers and investors alike. The character home enjoys many of the traditional features that we have come to love of this era - including timber floorboards, breezeways, high ceilings, VJ ceilings and walls, and casement windows. The welcoming front porch provides a lovely space to watch the world go by and precedes an interior full of charm and character, with an easy and relaxed layout that you will appreciate. The air-conditioned open plan living and dining flows through stacker doors to the covered back deck, the perfect place to entertain. There is a 2nd entertainment space in the back yard, a great place to hang the hammock or even for the kids to play protected from the weather. The kitchen is tidy and has enjoyed some updates over the years with gas cooktop, electric oven, good storage, pass through window and breakfast bar. The three bedrooms sit to the front of the home, the main bedroom separated by a hallway, with French doors that open to the front porch for light and airflow. The 3rd bedroom is located off the porch and would make an ideal work from home space if needed. The updated bathroom sits to the back of the layout with shower over bath. Underneath the house there is room for two cars, plus a separate lock up laundry and storage area. The home is fully fenced, suitable for kids and fur babies alike! 28 Blackburn St is ideally located close to St Brendan's Primary School, Moorooka State School, shops, park, and public transportation including train, making it a prime choice for anyone who wants to live in a thriving community with a city fringe location.
