Stunning 5-Bedroom Semi Rural Escape on 3.5 Acres

Situated on a sprawling 3.5-acre property, this stunning rural home offers the perfect blend of modern comfort and tranquil country living. Completed in 2018 by an award-winning local builder, the home features 5 bedrooms and 3 well-appointed bathrooms, making it ideal for a large family or those who love to entertain.

Step outside onto the expansive undercover red gum deck, where you'll be greeted with breathtaking views over the dam, creating a peaceful and picturesque setting. The property boasts abundant water supply with 3 x 30,000-litre water tanks, a pump in the dam, and access to the Baddaginnie quarry scheme.

For those with hobbies or a need for extra storage, the 7 x 12m shed offers a concrete floor, power, and a convenient lean-to for additional space. Sustainability is key, with a 6.5kW solar system helping to reduce energy costs.

Despite its serene location, the property is just minutes from the heart of Benalla, offering the convenience of town amenities while still enjoying the best of rural living. This is the ultimate countryside retreat, offering both space and style in a beautiful natural setting.
