## **Peaceful Nobby Home**

With a wraparound verandah and rural views, large, detached double shed and a quarter acre block, this modern two bedroom home ticks many boxes.

Two items need to be completed, the main living area floor covering and some painting in the kitchen. Apart from that, everything else is ready.

Nobby is situated on the Darling Downs, a 30 minute drive away from Toowoomba's CBD and under 10 minutes' drive from the rural hub town of Clifton. There's peace and quiet here in abundance and Nobby's famous Rudd's Pub is just a short walk away.

If you're looking for a quiet spot at a great price, book your inspection with me today to avoid disappointment!
