## Offers Over \$955,000

WOW says it all! Every direction you turn within this home you have beautiful features to look at and spacious living rooms for the whole family to enjoy. This continues outside with a lovely large, paved patio and at the bottom of the established garden there is a generous gazebo. Everyone is catered for in this home from the beautiful kitchen at the heart of the home with a lovely large glass picture window to your garden, there's loads of cupboard space, dishwasher and wall oven with grill. At the front of the home, you have a large sunken Lounge and then there is a Dining space, Family Living & Rumpus room. The Master suite is palatial in size and offers a double door entry into a foyer and then the spacious room has a wall of built-in wardrobes, Ensuite with double vanities & bath. 3 of the spare bedrooms have ceiling fans and wardrobes and the 4th smaller room could be a bedroom or home office with built-in cabinets. Finally, this home backs onto gorgeous parklands where your children can play and you can walk the dog.
