Ideal Location

This is a cladded, air-conditioned three-bedroom house with high ceilings, built in wardrobes, updated bathroom and lots of linen cupboards in the hallway. The kitchen and lounge room is very spacious making this house feel like home. A few steps down from the kitchen is the laundry and this area leads you out to the big shaded and fully fenced backyard. There are 2 water tanks, 2 garden sheds, solar panels, electric hot water system, workshop, double carport (tandem parking) and room to park another vehicle. Amazing tenanted investment rented at @\$410/week fully furnished.
