\$1,250,000

SOLD OFF MARKET BY NATHAN MICALLEF This home boasts a remarkable fusion of contemporary elements and modern charm, offering expansive space on a sizable 1442m² (approx.) block with breathtaking views—a rare real estate gem. It exudes a lavish atmosphere with top-notch upgrades, making it a fantastic investment. With four spacious bedrooms, two bathrooms, a master suite featuring a large walk-in robe and luxurious en-suite, this residence ensures ample space for family living. The heart of the home hosts various living areas, ideal for theater rooms or study spaces, all complemented by a front formal lounge with stunning bay window views. The kitchen not only impresses visually but also includes a range of high-end upgrades, top-quality appliances, an open-plan design flowing into a bay window dining area, abundant storage, and more.
