COASTAL DELIGHT

If the last thing you want to do is renovate then put 28 McKenzie Avenue on the top of your shopping list. The 5-bedroom home has been meticulously renovated from the front gate to the back fence and everything in between. No stone has been left unturned and no expense has been spared.

The stylish, light filled home boasts a wonderful open plan living area that is the hub of the home. Soaring ceilings and an earthy mix of stone and timber focal points feature throughout. The kitchen is certainly the centrepiece, boasting quality appointments including Smeg appliances, Ceramic Chambord farmhouse kitchen sink, bespoke concrete benchtops, and a concealed butler's pantry. It overlooks the lounge, dining, alfresco and pool. A large gas lift servery window presents a direct plate and serve option as well as cross ventilation benefits for the slaving chef.

Enjoy abundant space for all inside and out, 5 beds plus a study, or 4 beds plus 2 home offices for the work from home buyers. The air-conditioned master enjoys a deluxe ensuite and the main bathroom is themed along similar creative lines. Everything electrical including the solar are as new. Easy maintenance polished concrete flooring, sliding timber barn doors and the brilliant white decor set each room alight.

There's abundant room outdoors for children, pets and big boys toys. Take a dip in the pool or kick and play ball on the lush, turfed yard. Enjoy gated side access for your boat or van and a double semi enclosed car port for your vehicles. All fencing is also as new. The property is situated close to estuary, beach, shops, and local cafes. Pottsville is a relaxed country town on the sparkling Tweed Coast that is only 30 minutes from Byron Bay and Coolangatta Airport.
