STUNNING BRAND NEW HOME READY TO MOVE IN OCTOBER 2024

Having the best of Gold Coast lifestyles - coastal, natural, community, cultural and commercial are all on the doorstep, to this amazing property centrally located in the Gold Coast's newest luxury estate "Skyridge".

With outstanding connectivity to Brisbane and the Gold Coast, this stunning home currently under construction and ready to move in October, has something to offer for everyone, whether it be an investor or owner occupiers, executive couples, the whole family, or those who enjoy entertaining / getting together with family, friends and neighbours, there is space and features for everyone!

Demonstrating the utmost attention to detail, you will quickly understand and see the benefits of buying from and having trust in a nationally recognised and multi-award-winning builder. Built by CORAL HOMES this exquisite masterpiece presents a unique layout yet also still has a timeless minimalist aesthetic and spectacular appeal throughout all areas of the home and is presented in a much higher specification than a standard build to really showcase something that is extremely special!

There are just too many features to list but see below for some of the features:

- Hamptons Façade and design elements both inside and out
- Large private retreat Master Bedroom area, huge WIR and feature ensuite.
- 4 additional Bedrooms with walk in robes
- Multiple separate living areas / multi-purpose areas
- Designer Kitchen with stone tops and breakfast bar as well as a feature butler's pantry
- Brand new kitchen appliances to remain with the property
- Seamless flow from Kitchen, Family and Dining - to alfresco/outdoor living area.
- Fully Ducted Air Conditioning with MyAir controller system and tablet
- Open plan family living and dining.
- Formal and informal separate living areas
- And much, much more!

Skip council and construction delays and move in to this brand new home in October.
