Idyllic Split-Level Home on Nearly Half an Acre

Welcome to your dream retreat, a charming 3-bedroom weatherboard home nestled on nearly half an acre of serene land. This split-level gem exudes warmth and character from the moment you step inside. The rich timber hardwood floors greet you with their natural elegance, while high raked ceilings draw in an abundance of sunlight, creating an airy and inviting atmosphere.

The heart of this home is the timber kitchen, thoughtfully designed for both functionality and comfort. It boasts modern appliances including a dishwasher, electric oven, and cooktop, complemented by the nostalgic charm of a Nectre Bakers Oven wood heater, perfect for those cozy winter evenings.

The master bedroom is a true sanctuary, generous in size and featuring an ensuite and a walk-in robe. Sliding doors open to a private deck, inviting you to enjoy your morning coffee with views of the lush surroundings. Above the walk-in robe, a clever storage area presents the opportunity for a potential fourth bedroom, adding versatility to the home.

The additional two bedrooms are equally charming, one with a built-in robe, and both equipped with ceiling fans for year-round comfort. The home's eco-friendly solar system ensures energy efficiency, while outside, a double carport and a shed provide ample storage space.

Beyond the main house, discover a world of possibilities. A caravan, perfect for a teenage retreat or guest accommodation, sits ready for your vision. The property also includes a wood shed, a chicken coop, and flourishing veggie gardens, offering a taste of the good life in a peaceful, rural setting.

This home is more than just a place to live; it's a lifestyle, offering space, comfort, and endless opportunities to create lasting memories. Don't miss your chance to make it yours.
