This home is an off-market listing which can be inspected by appointment. Please contact Daniel Waters for further information or to arrange your inspection.

Perfectly set on an elevated inside street, just moments from the retail heart of Everton Park, this beautifully appointed lowset home will appeal to a buyer seeking something so much better than the average. The home has high internal ceilings, air-conditioning and decent sized proportions throughout.

The spacious floorplan includes 4 sizeable bedrooms (master with walk-in robe and ensuite), a well-appointed kitchen with stone benchtops and modern appliances, a large open plan living/dining area, 2 quality bathrooms, a covered alfresco area that overlooks a low maintenance backyard and a single lock-up garage with internal access.

The chic modern lowset design is complemented by the home's coveted location, which is on quiet inside street, yet conveniently located to everything. The home is just a short stroll to Kedron Brook Reserve which provides a corridor of leafy parkland and kilometres of walking and bike tracks that link Everton Park to Moreton Bay. Positioned in a high growth pocket of Brisbane, the location is within 9km from the Brisbane CBD, within a 5-minute drive of Brookside Shopping Centre and just a 5-minute walk of the recently revitalized Everton Park retail precinct (Coles, Woolworths, restaurants, coffee shops, medical centre and specialty stores).
