The Snapshot

Experience effortless living in this elegant Macdonald Jones home, designed for both relaxation and entertaining. The open-plan layout, gourmet kitchen, and expansive alfresco area create a welcoming space for family gatherings. Nestled in a sought-after neighbourhood, this home offers a low-maintenance lifestyle with easy access to parks, schools, and amenities.

The Home

The perfect blend of opulence and comfort awaits at this sophisticated family home in highly sought after Chisholm.

Set on a 715sq m allotment, in a family-friendly neighbourhood, this Macdonald Jones home was built in 2013 and its Monte Carlo Elite design lives up to its premier title.

From the formal manicured gardens, complete with hedging and statement water feature, to the plush, interior fittings and fixtures and expansiving alfresco entertaining area, every facet of the home has been designed with luxury and comfort in mind.

With its brick rendered facade and statement windows, the home's stunning street appeal is matched by the stylish entry foyer, featuring chandelier lighting and wall recesses.

Glossy tiled floors and plantation shutters flow throughout the main living areas of the home, while plush carpet is underfoot in the formal living room and bedrooms.

Double timber sliding doors mean you can shut off the formal living room from the rest of the home, making it a true retreat for parents.

The smart floor plan suits families, multi-generational living, and downsizers seeking low-maintenance luxury, with the open-plan kitchen and family room creating the home's sophisticated heart.

The gourmet kitchen boasts 400mm Caesastone benchtops, pendant lighting above an island bench with seating, a walk-in pantry and quality appliances, including a Fisher and Paykel electric oven and gas cooktop.

The family and dining area flows out through sliding, stacker doors, to the covered alfresco entertaining area, with its

timber-look flooring, ceiling fans, bistro blinds and privacy screening.

It's an enticing space that's sure to make you the envy of family and friends when it comes to entertaining.

When it's time to retire for the night, the master suit features plush carpet, a fanaway ceiling fan, a double-sided walk-through robe and an ensuite with his and hers basins and a large shower.

The remaining bedrooms feature carpet, ceiling fans, and built-in robes.

Other features include a study or home office at the front of the house, garaging for three cars with internal access, remote doors and workshop space.

There's also Samsung ducted air-conditioning, an 11kw solar system and drive-through access to the rear yard.
