ENJOY THE TRANQUILITY

The original part of the home is solid brick with the extension being stud wall and plaster. The home features 3 double bedrooms, updated kitchen with an electric stove and a new dishwasher, combined laundry and bathroom, large living area with a split system A/C. Outside the yard has a number of established trees giving the yard plenty of shade through the Summer months, a double carport, workshop and a garden shed. You will also enjoy the paved pergola and the well fenced secure yard which has the convenience of rear lane access.
