KENSINGTON MANOR - King Sized Family Home in Kensington Estate

The stunning five genuine bedroom family home is sure to blow your mind. The home and entertainment spaces are all clearly huge but it is the way that they seamlessly integrate that makes this home so unbelievable. From the moment you approach the home you can see that it is grand sized. The triple lockup garage is perfect for all your storage needs or any of your prized toys. There is large 5-Kilowatt solar system to keep your power bills down and full crim-mesh security to all windows and doors of the home for added security. Upon entering the home, you will be equally impressed by the generous entry which will take you right into the heart of this enormous home. You will also be welcomed in by the fact that this home is fully air conditioned with ducted air conditioning and guaranteed to keep your family cool you from the sweltering temperatures of summer and warm and toasty through the winter months. The home has also been fully converted to LED down lights throughout.

The striking kitchen of this feature packed family home is centrally positioned to overlook not only all of the cavernous internal living areas but also has a direct view over the outdoor living areas. The kitchen is like the house itself - huge! There is an abundance of bench space, cupboards both underneath and overhead, built in microwave space overhead, double door walk in pantry, space for a dishwasher, Westinghouse electric stove top and oven and the fridge space is big enough for two fridges to stand side by side. Inside the home there are four (4) large and separate living and entertaining spaces. There is a large dining and family room as well as a large formal lounge and formal dining area and also a separate rumpus room perfect for a media room, full gym, or pool table area.

From the lounge area there is glass door access out onto the extra-large fully covered and paved outdoor entertainment, which looks out to the massive 1054m² yard. All five (5) of the homes bedrooms are large, have ducted A/C, full security and either built in cupboards or walk in robes. The fifth bedroom is currently used as a study but could quite easily be used as a bedroom. The master bedroom is absolutely enormous and has ducted A/C, his & her walk in robes, Ensuite with a double vanity, shower and toilet. The 1054m² gives you the ability and space to build your dream shed and pool. There is plenty of room to drive down the side of the home to access the rear of the property.

The kids and pets will absolutely love the amount of room there is to run and play in the safety of your backyard. Just down the road you will find a fully equipped park with playground and BBQ facilities and the Winston Glades Shopping Centre with its own IGA Supermarket and associated specialty stores is also within easy walking distance. You also have quick access to childcare and medical services, the Yamanto Shopping Centre and Yamanto and Glades Tavern, as well as quick access to Brisbane, and Springfield Orion Shopping Centre and onto Brisbane via the Centenary Highway extension.

Your children can even walk to the Amberley District (Yamanto) State Primary School or the area is also serviced by the Bethany Lutheran Private Primary School, and the Bremer State High School. There is also, in many cases, free or government subsidized bus transport to a host of schools including St Edmunds and St Marys Colleges, Ipswich Boys and Girls Grammar Schools and West Moreton Anglican College.
