Move into this beautifully renovated contemporary home in a highly sought-after neighbourhood with no effort required. Meticulously renovated and presented, the sunken lounge room, with its high timber-lined ceiling and cosy open fire, leads seamlessly to a dining room and a spacious open-plan family room and casual meals area. The stunning kitchen boasts high-end Siemens appliances - including twin ovens (steam and microwave), an induction cooktop, integrated dishwasher, a fully integrated Liebherr fridge/freezer, a Billi water filter, and a waterfall-edge stone breakfast bar. Separated into two wings, the floorplan positions a single bedroom and the master bedroom at the front, featuring a modern ensuite and walk-in robe, while at the rear, two children's bedrooms share a contemporary main bathroom with designer touches. The allure continues outdoors with a large covered deck, overlooking a sprawling backyard with a mature garden, gas BBQ, paved alfresco zones, and a versatile home office/garden studio. Some of the many features include video intercom, CCTV, keyless entry, 6KW solar, Blackbutt hardwood floors, soft carpet, ducted heating, evaporative cooling, repainted interior, under-house storage, a garden shed, and a double carport. In an exclusive location, the home is zoned for Eltham North Primary School and St Helena Secondary College, and just minutes from bus services, Eltham North Adventure Playground, Eltham Village and Train Station, Greensborough Plaza, and local parks and trails in the area.
