Family escape with resort outdoor living

Beautifully presented throughout a flowing layout, this home delivers tranquil sanctuary in the heart of Robina Quays. Pristine and polished from front boundary through to rear, contemporary upgrades deliver superb style with outdoor entertaining boasting resort styled relaxation.

Privately nestled behind a gated street presence, manicured landscaping frames an immaculate facade with the home opening to an equally impressive interior. Timber flooring and gleaming tiles lay the backdrop to the split-level layout with high ceilings amplifying the natural light throughout expansive dining and airy living; a huge projector screen bringing five-star movie nights. Anchoring the large zone in style, there is tremendous storage available in the kitchen, complemented perfectly by a huge walk-in pantry, quality appliances and a surplus of stone.

There is no better place to unwind and relax with family and friends than outdoors, where a private sanctuary invites resort relaxation. Extensive decking stretches over fantastic space to entertain with both covered and sun-kissed options whilst tropical greenery frames the fenced yard and fire pit zone. A sparkling swimming pool delivers holiday ambience, complete with decked poolside lounging.

Four bedrooms are positioned privately with the master including a walk-in robe and immaculate ensuite with floor to ceiling tiling. The main bathroom boasts a gorgeous upgrade, beautifully detailed with gold tap ware and intelligently laid out for easy family use with the inclusion of two separate vanities plus a large spa.

Additional features include an upgraded laundry, air-conditioning, double remote garage and gated entry.

Presiding over a favoured cul-de-sac parcel, you're just a stone's throw from meandering lakeside foreshores, parkland and bike paths with amenities all close by. Robina Shopping Village is just down the road, as are a fabulous selection of schools, tertiary and transport!
