## "PINEGOLD"

Escape to the tranquil beauty of 'Pinegold,' a spacious family residence set on an idyllic acre of land in the lush, leafy village of Nunderi. This property offers abundant space for the entire family to relax and reconnect with nature.

Tucked away at the end of a peaceful cul-de-sac, this charming, colonial-inspired home is framed by established greenery. Upon entering, the hallway guides you to the expansive kitchen, living, and dining areas, where large windows invite you to take in the serene rainforest views. The alfresco dining area seamlessly connects indoor and outdoor living, perfect for unwinding while the family explores the sprawling 4,183m<sup>2</sup> block. Wander through your own private paradise, complete with a meandering stream, footbridge, and enchanting rainforest-all surrounded by open, grassy spaces for endless outdoor adventures.

Inside, there's no shortage of room for everyone. Downstairs offers a secondary lounge, a dedicated study (or potential fifth bedroom), a family room, a large laundry, and a double lock-up garage.

Upstairs, you'll find the heart of family life. The spacious master suite, featuring a walk-in robe, ensuite, and cozy reading nook, captures stunning views of the rainforest through large bay windows. Three additional bedrooms, all with built-in robes, plus a main bathroom, complete the upstairs haven. A fourth living space upstairs offers a peaceful retreat for family relaxation.

Living in Nunderi gives you the best of both worlds: the vibrant Murwillumbah CBD is just 10km away, while the pristine shores of Cabarita Beach are only 15km from your doorstep. Spend a morning at the Murwillumbah markets, enjoy coffee in the local arts district, or explore the rail-trail. Alternatively, head to one of Australia's most stunning beaches and soak in the sunshine-it's all within easy reach.

This is a rare opportunity for families seeking a peaceful, nature-filled retreat with endless potential to explore, grow, and thrive.
