\$840,000 to \$890,000

If you are looking for an extra-large home on an extra-large block, this home could be just the one you have been searching for. Ideally located in the prestigious "Bluestone Estate" where quality-built houses are all situated on larger blocks. You'll be impressed by the huge room sizes, high ceilings and a fantastic array of built-in storage in this very generous 2014-built Fairmont home. The Master bedroom has a modern ensuite and large built-in robes, while the other 3 large bedrooms each have built-in robes. There is an impressive array of built-in pantries and cupboards, including a large walk-in storage room. The formal lounge at the front of the property is the perfect room for mum and dad to escape from the kids and enjoy some alone time. Safely situated at the end of a no-through road, this property is the ideal home to raise a family with 4 large bedrooms plus two large separate living rooms, and even a computer room or home office. A centrally located modern kitchen overlooks both the large family room and the meal/dining area. These living rooms all have delightful garden views through large picture windows. Sliding glass doors spill onto the rear verandah, and gardens. A large double garage under the main roof with internal access to the home is a real bonus. The super-sized block of 1056sqm (approx.) is beautifully landscaped and includes a generous lawned area for the kids and pets. There is also a purpose-built outdoor entertaining/pergola room that is a great place for the kids to play. There is a wonderful feeling of space, from the moment you enter the wide entry hallway, and you begin to explore the many facets and extra features of this spacious home. Ducted and zoned reverse cycle air-conditioning heats and cools the whole home. Be quick large homes on large blocks in Mount Barker are getting harder to find!
